Dear Judge Jones:

The administrator of the Estate of William S. Ferguson, Tara Adams, CPA, has let us know through her counsel that she needs approximately 7 more days to complete due diligence to determine whether the Estate will proceed with this action. We respectfully request that the stay be extended through and including September 3, 2024 on behalf of all parties, the Administrator and all counsel.

If you have any further questions please feel free to contact me at 276-608-9185.

Very truly yours,

  
Mary Lynn Tate
